Subject: Call from attorney re: Passaic

Hi Juan,

I received a phone call today from David Farrer, an attorney I've known for quite a long time. He was calling on behalf of a client – the name as I understood it is Everett Smith Group or ESG. He asked to whom he could speak to present his client's request to be included in the group of PRPs to whom we have offered the early cash out. I suggested he speak with you and gave him your phone number.
